DEDICATION

MRS. CHRISTINE M. CRABTREE

So vitally a part of our school life, Mrs. Christine Crabtree is truly our teacher and our friend. For seven years she has shown to students of WILLIAM CAMPBELL her sincere interest and willingness to help, her unfailing love for school and community, and her enthusiasm for teaching and for learning. We, the Senior Class of 1958, dedicate this volume of THE GENERAL to her.

Mrs. Crabtree always lends a helping hand for banquets and parties.

She helps us win our ribbons at the annual Farm Show.

TO THE STUDENT BODY OF WILLIAM CAMPBELL HIGH SCHOOL

The effectiveness of an educational program in high school is measured by your development while in school as well as by your performance in later life. In our program we strive to meet the educational, spiritual, physical and social needs of youth, so that you may be well rounded citizens and properly adjust to various situations in school life and adult society.

We believe that education should develop a respect for authority and an appreciation for the democratic way of life. We believe education should develop high moral standards as well as high academic standards.

Here at William Campbell High School we should develop the traits of character such as courtesy, loyalty, tact, tolerance, ambition, cooperation and perseverance in our student body.

Only through the cooperation of students and faculty can our objectives be carried out and the effectiveness of our program be meaningful.

With every good wish, I am

J. E. Strickler
